There are even online tools that can help you create a professional-looking invite that you can adjust to your needs. Snips and snails, and puppy dogs' tails. You may even like to have a little get-together with friends who are helping you organize the shower where each of you pitches in to create the cards. Once it's ready, take the file to a professional printer who can give it a beautiful finish. Baby Girl Shower Invitation Wording Examples7. Join us to help [mom-to-be's name]

get ready for her new little villager. To make the day even more special and fun, please bring [add anything you need the guests to bring; e.g., I'll be needing it for one of the many special occasions] to the party. [Add anything special you would like guests to do. Tickle her pink (the family last name) family is happy to announce it's going to be a girl. As the RSVPs roll in, create a list so you can track who's coming. You can use this baby shower invitation template as a basis for your invite. A baby [boy/girl] is on the way; please help us prepare for the very special day! Join us for [mom-to-be's name] baby shower on [date] from [start time] to [end time]. These cards are often relatively generic, which works if you don't have a very specific theme, although you may get lucky and find a pre-printed card that also matches the special theme you're going with. Go with email. 10. When you're hosting a baby shower, creating the invitations is an important step. Casual attire. Create a social media event to invite a group of guests, track RSVPs, and add event updates all in the one spot. For more guidance on planning a baby shower, check out this helpful baby shower checklist. Then, for an extra-special flourish, get unique envelopes and stamps, or hand-deliver them. [Mom-to-be's name] is pleased to celebrate the arrival of her new little guy! 6. If the baby shower will have a jungle, princess, or stroller theme, it's your lucky day! Here are three free baby shower invitation designs you can choose from. Girls are made of sugar and spice! Let's shower [mom-to-be's name] and her baby girl with everything that's nice! 12. As the host, it can be really exciting planning a baby shower and creating the invitation is just part of the fun. A social media event is also great because guests can ask questions easily and coordinate things more easily between the other attendees. If you have craft accessories like glitter already at home, this could be useful now. General Tips for Baby Shower Invitation WordingLanguage clarifying that the event is a baby shower (many invitations include a baby shower quote and visuals of a baby or baby gear) Who the shower is for (the name of the mom-to-be or the parents-to-be) Who is hosting the shower, so guests know who to reach out to for information The date of the shower as well as the start and end times Address (send a map or directions on a separate sheet, or add a link to Google maps) How guests can pass along any dietary requirements Details of the gift registry, or gift suggestions if there is no registry RSVP contact details, and when you would like RSVPs by You could also add the following details: The baby shower theme (if there is one) Gender and name of the baby (if known and with the permission of the parents-to-be) What refreshments will be served, so your guests know whether to expect a full meal or just some light snacks Dress code (especially if you would like your guests to dress to reflect the theme in some way, or if you would like the shower to have a particular feel to it like informal and relaxed, or elegant and formal) Anything special guests should bring (e.g., one of the shower games might call for guests to bring a baby picture of themselves) Whether significant others and children are invited. Handmade invitations add a personal touch and let you get your creative juices flowing. 20 Baby Shower Invitation Wording ExamplesAlthough a lot of what goes on the baby shower invitation simply conveys the details of the event, there are some playful little phrases you can add to make sure your invite stands out. 9. There's a new baby in the works. If you'd like your guests to dress in a way that fits in with the shower theme or bring something specific for one of the baby shower games, then a social media event is a great place for them to ask questions and see all the other responses too. It helps set the tone and ensures that all of the mom-to-be's loved ones have all the information they need. If you have a friend with calligraphy skills, now's the time to utilize her. Join us in celebrating [mom-to-be's name]'s brand new baby boy by showering her with love and everything baby blue! 4. Join us in showering [mom-to-be's name] with love as she awaits the birth of her darling daughter. Oh boy! Help us shower [mom-to-be's name] with gifts for her little man! 2. Whether it's a boy or girl, Mom deserves to be showered ahead of her amazing journey. For example, guests may want to pitch in to buy a bigger gift together, or they may want to talk about what the other guests are bringing if it's a potluck so that there are no overlaps. It's a practical alternative to snail mail if your guests live in other states or overseas, or if you'd like to make sure your guests get the invite sooner rather than later. Please join in showering [mom-to-be's name] like a queen to honor the upcoming birth of her little princess. Join in the showering and find out what's baking! 20. RSVP by [date] to [host's contact details]. A noble little prince is on his merry way! Let's gather to honor [mom-to-be's name] ahead of the special day. Blue or pink, which do you vote for? If the baby shower you're hosting will have a special theme, the invite can be designed to reflect it. These sites usually let you design the invitation from scratch or let you choose from their selection of professionally created designs, and you can also add the wording of your choice. 8. It takes a village to raise a little one. Here are some different ways you can send electronic baby shower invitations: Use a greeting card or e-invite service to send out your invites to your mailing list of guests. 19. 18. We've got a special bun in the oven. Baby Shower Invitation TemplateYour text doesn't have to be complex. 16. Insert refreshment type, e.g., A light lunch] will be served. Roses are red, violets are blue; we're ready to shower [Mom-to-be's name]'s baby boy in love, how about you? [Address] Hosted by [host's name]. Little boy or little girl? Gender Reveal Shower Invitation Wording Examples17. Either way, come and celebrate and find out whether it will be a new little lady or gentleman. A precious princess is about to make her grand entry! Join in the showering before she arrives. 5. You can either create an invitation that you attach to the email in the form of an image, or simply write the details in the email itself. A little lady is on the way! Come shower her with gifts ahead of the big day! 11. Electronic Baby Shower InvitationsSome hosts choose electronic invitations because they're quick, and they also make it easier to track RSVPs. They're a good approach for an informal baby shower among the mom-to-be's closest friends. Read up on baby shower etiquette for more information on who to invite. A special little voyager is on the way. You can either design it yourself, ask an artistic friend to help, or work with a graphic designer to get the result you're after. They will help set the tone for your event—cute or elegant, funny or formal, classic or contemporary—and ensure your guests get all the information they need. Come celebrate at the construction site! 14. Handmade invitations that resemble toddler artwork (perhaps by incorporating a little finger paint) could also be a cute approach! Custom-printed baby shower invitations allow you to create the invite to exactly your specifications. It'll be a surprise for us, too! Celebrating the newest addition to the [family last name] family and find out which will it be. Here are some different options when it comes to printed baby shower invitations: Pre-printed invitation cards are an easy solution, and there is usually a range of templates and designs to select from at your local greeting card or party store. 15.
